

An Indigenous Peoples' History of the United States: Revisioning History

Roxanne Dunbar-Ortiz's *An Indigenous Peoples' History of the United States* is a groundbreaking work that challenges the traditional narrative of American history. This book provides a much-needed perspective on the history of the United States from the perspective of the indigenous peoples who have lived here for thousands of years.

Dunbar-Ortiz begins her book by recounting the story of the first Thanksgiving, a familiar tale that is often told as a heartwarming story of friendship and cooperation between the Pilgrims and the Wampanoag people. However, Dunbar-Ortiz reveals the darker side of this story, pointing out that the Pilgrims were actually invaders who brought disease and violence to the Wampanoag people. She also discusses the ways in which the United States government has systematically oppressed indigenous peoples, from the Trail of Tears to the Wounded Knee Massacre.

An Indigenous Peoples' History of the United States (REVISIONING HISTORY Book 3) by Roxanne Dunbar-Ortiz

Dunbar-Ortiz's book is a powerful indictment of the United States government's treatment of indigenous peoples. However, it is also a story of hope and resistance. Dunbar-Ortiz highlights the ways in which indigenous peoples have fought back against oppression and continue to fight for their rights today.

An Indigenous Peoples' History of the United States is a must-read for anyone who wants to understand the true history of the United States. It is a powerful and moving book that will challenge your assumptions about American history and inspire you to learn more about the indigenous peoples of this land.

Key Themes

- The importance of indigenous perspectives on American history
- The ways in which the United States government has oppressed indigenous peoples
- The power of indigenous resistance
- The need for reconciliation between indigenous peoples and the United States government

Critical Reception

An Indigenous Peoples' History of the United States has received widespread critical acclaim. It was awarded the 2015 American Book Award and the 2016 National Book Critics Circle Award for Nonfiction. It has also been praised by historians, scholars, and activists.

Historian Howard Zinn called the book "a powerful and necessary corrective to the traditional history of the United States." Scholar Angela Davis praised the book for its "rigorous research and passionate advocacy." Activist Winona LaDuke called the book "a must-read for anyone who cares about the future of this country."
