Beneath the Surface

In the depths where shadows dance, Where secrets hide and whispers
trance, Beneath the surface, a world unseen, Where emotions surge, a
tempest keen.

Like waves that crash against the shore, Feelings ebb and flow,
forevermore, A symphony of joy and pain, A tapestry of life's refrain.

Yet in these depths, there lies a flame, A flicker of hope, a gentle claim, For
in the darkness, strength can rise, Beneath the surface, where the spirit
lies.

The Feminine Divine

Within the depths of womanhood, A power stirs, a force for good, A
symphony of grace and might, The feminine divine, a radiant light.

In every curve and gentle touch, A wisdom weaves, a sacred clutch, A
strength that flows through veins unseen, A boundless source of love
serene.

Oh, feminine divine, your essence flows, Through ancient streams and
ethereal glows, A guiding star, a beacon bright, Empowering souls with
inner light.

The Dance of Time

In the waltz of time, we gently sway, Through seasons changing, night to
day, Moments fleeting, memories entwined, A timeless dance, a journey
undefined.

The past, a tapestry of faded hues, The present, a canvas where life
imbues, The future, a whisper, a distant tune, In this dance, we find our

being's boon.

Oh, dance of time, your rhythm sets us free, A timeless waltz, where souls find harmony, Through every step, we learn and grow, In the dance of time, our spirits glow.

The Quest for Meaning

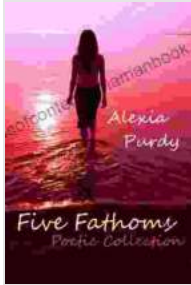

Through the labyrinth of life we tread, A quest for meaning, a path to tread, In every corner, a lesson concealed, A tapestry of wisdom, slowly revealed.
