Step 1: Sketch

The first step is to sketch out your drawing. This is where you'll establish the basic shapes and proportions of your character. Don't worry about making it perfect at this stage; just focus on getting the overall shape down.

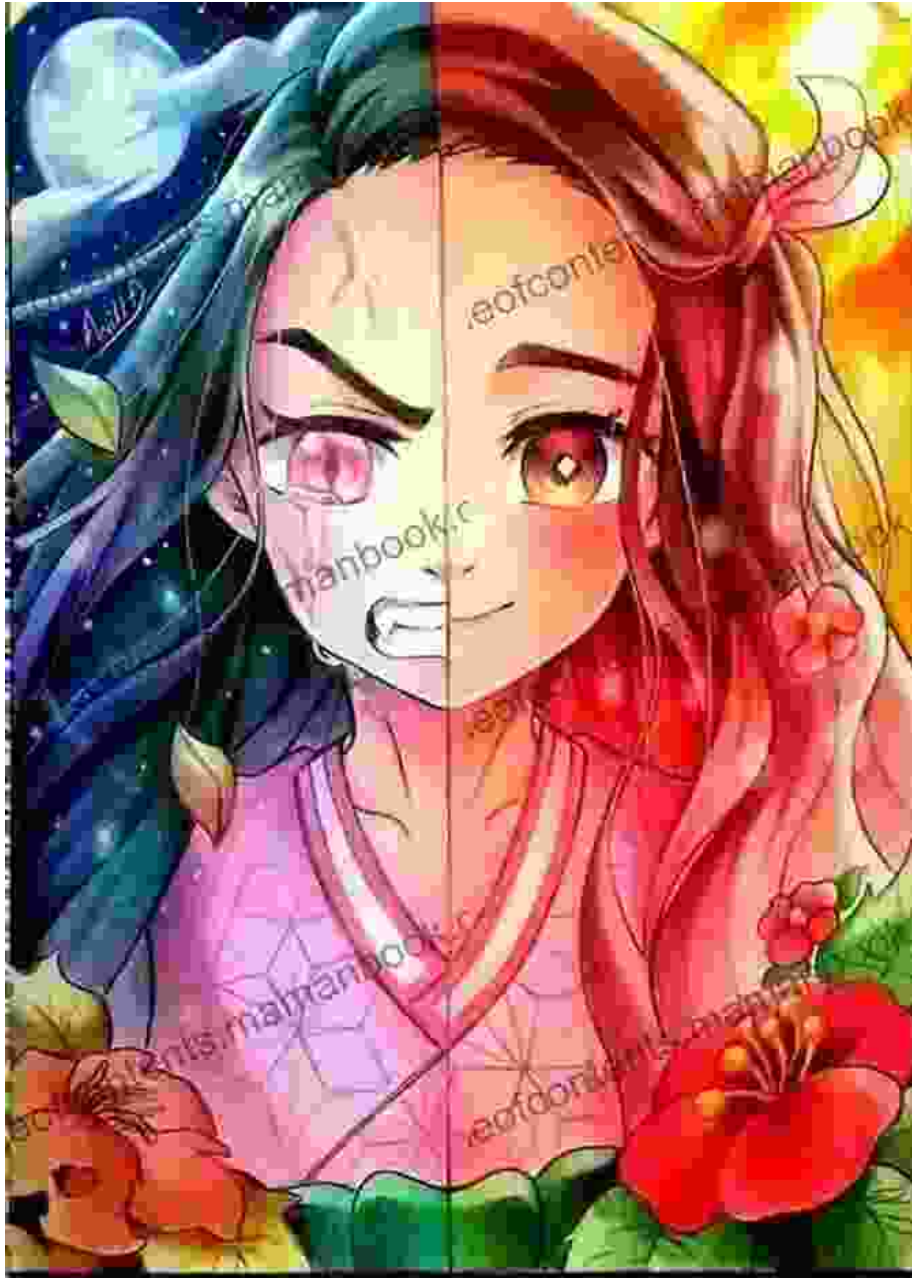

Step 2: Ink

Once you're happy with your sketch, it's time to ink it. This is where you'll add the details and define the lines of your drawing. Use a variety of pen sizes and weights to create different effects.

Step 3: Color

Now it's time to add some color to your drawing. You can use colored pencils, markers, or even paint. Be creative and experiment with different colors to see what works best.

Step 4: Finish

Once you're satisfied with your coloring, it's time to add the final touches to your drawing. This could include adding highlights, shadows, or other details. You can also add a background to your drawing to make it more complete.

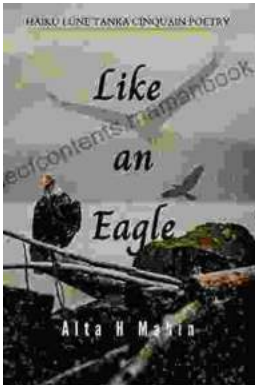

Congratulations! You've now learned how to draw the most exciting and awesome manga drawing ever. With a little practice, you'll be able to create your own amazing manga drawings. So what are you waiting for? Get started today!
