Pride and Prejudice, Sort of is a delightful modern adaptation of Jane Austen's classic novel. Set in the picturesque White Mountains of New Hampshire, this play follows the story of Lizzie Bennet, a strong-willed and independent woman, as she navigates the complexities of love, marriage, and societal expectations.

The play opens with Lizzie and her sisters attending a ball at the local Pemberley Hotel. There, she meets Mr. Darcy, a wealthy and arrogant businessman, and the two immediately clash. However, as they spend more time together, Lizzie begins to see through Darcy's facade and discovers a kind and compassionate man beneath.

Meanwhile, Lizzie's younger sister, Jane, is pursued by Mr. Bingley, a charming and amiable man. However, their relationship is threatened by

the machinations of Mr. Wickham, a charming but untrustworthy man who has a history with Darcy.

As the play progresses, Lizzie and Darcy must overcome their pride and prejudice in order to find true love. They must also navigate the complexities of their relationships with their families and friends, and learn to accept themselves for who they are.

Pride and Prejudice, Sort of is a witty and charming play that will appeal to fans of Jane Austen's novel, as well as those who enjoy a good romantic comedy. The play's characters are relatable and well-developed, and the story is both heartwarming and humorous.

### **The Cast of Pride and Prejudice, Sort Of**
